

Mt Hood Organics

Mt. Hood Organic Farms is a family run farm, situated in a stunningly beautiful location at the base of Mt. Hood. The farm is Organic Certified as well as Demeter Biodynamic Certified.

The 50 acres of apple and pear orchards on the farm's 205 acre property not only provide a scenic foreground for the stunning landscapes of Mt. Hood, Mt. Adams, and Mt. Rainier, but also offer an insider's view of a working farm that grows 87 varieties of apples & pears.
